B) Closing of the Agreement between SEAFDEC and National Lead Agency:

- 4) Once the 2022-audit report and all documents mentioned above (A) have been received and accepted by the PCU and SEAFDEC, the financial clearance between SEAFDEC and the national lead agency will be performed. Later, an official letter will be issued by SEAFDEC formally closing the agreement.
- 5) It is expected that MoU/LOA/LOI between SEAFDEC and national lead agencies could be closed after 31 March 2023, depending upon the completion of financial clearance.
- 6) SEAFDEC will consider the non-expendable equipment purchased under the agreement in each country either to remain the property in the country or transfer back to SEAFDEC or UNEP. Regarding this, the final inventory of non-expendable equipment with signatures from each country (Annex 2) should be submitted to PCU before the end of April 2023 (linked to article III-C 10-11).
